6. I am pleased with the proactive stance our local government takes in addressing local problems. The wastewater plant and new spring come to mind.
7. Thanks for asking our opinions!

8. Regarding town elections, I would have liked to have had more info about what was happening before election day. I thought maybe I missed a newsletter. I wasn't prepared.
9. Broadway businesses on Main Street will never thrive until those stupid bump outs are removed.
10. Cindy and Chief Lantz have been particularly helpful.
11. Will any of these opinions be considered or will this survey be a waste of time and money?
12. Early Drive is used as a cut through from 42 to 257. I would like to see the town enforce "no through traffic" on Early Drive.
13. Heritage Park is a convenient wonderful little park.
14. I think these surveys should happen annually or 2 times a year.
15. This is a great forum that you have provided. I hope my input was helpful. Thanks for reading it.
16. Would like to see the unfinished building projects completed and cleaned up – Mountaineer Heights.
17. Town Manager should live in Broadway so he/she has first-hand knowledge of Town issues.
18. Yes, since when did it become the "holiday" lighting and "holiday" parade.
19. Pool needs new management and renovations; coming from Turner Avenue to Main Street there are too much stuff and signs, blocks view looking north.
20. Need to have more frequent bulk trash pickups at least every 4-8 weeks. There is no place to store "bulk" trash while waiting 3 months for another bulk pickup date.
21. More sidewalks in the area of the schools.
22. With less parking spaces, why would any new business want to come to downtown Broadway?
23. Do something about the abandoned house on Bush Drive.
24. This is a marvelous idea and an excellent way to let residents voice their opinions. There should be a reduced speed ahead sign on Rte. 42 coming into town around the turn where it goes to 25 mph.
25. Thanks for the input opportunity, forward thinking!
26. Thanks!
27. Broadway should get better recognition for all the activities they offer.
28. Heritage Park is a real asset – well maintained and user friendly.
29. We need a nice family style restaurant with buffet. No more pizza, sub etc. shops.
30. Better weekend library hours.
31. Overall town gov. is doing good job. We would like to thank Kyle for his outstanding job.
32. Good idea. If communication skills were improved at BHS, maybe some of their internal and external problems would improve.
33. BHP & Town should be working with Chamber of Commerce and try to fill the empty store fronts that are in town. The business area is beginning to look somewhat deserted, etc.
34. Very nice community; has come a long way in recent years, good job with getting more businesses to come to Broadway. We like living here.
35. Speed enforcement, incomplete construction – building lots, young boys on motor bikes going too fast for residential.
36. The big pots on Main Street are a touch much. They took a lot of parking. I would like to see the trail at the pool paved instead of gravel.

37. Shouldn't there be a protective barrier at the east end of the sidewalk on the Rte. 259 Linville Creek bridge? At that location is a dangerous drop off.
38. Blue Ribbon Nursery has done a fantastic job with the building and grounds at their site. The building prior to their occupancy was an eyesore. Very nice now.
39. Continue what you are doing.
40. Would like to see a new layer of crushed stone over current 1 mile path at Bway Community Park.
41. Water is very nasty during spring and summer. I can't stand to drink it.
42. The stoplight at intersection of Rte. 42 and Springbrook Rd. is not user friendly to those approaching the light from the west side of town.
