LOCAL TAXES

	Broadway	Rockingham County
Real Estate	\$0.07	\$0.74
Personal Property	\$0.51	\$3.00
Machinery/Tools	\$0.40	\$2.55

Residents of towns located within Rockingham County are assessed a Town tax in addition to Rockingham County real estate and personal property taxes. Town taxes are billed annually and are due December 5th each year. Tax payments may be made in person, mailed to the Town Office at P. O. Box 156, Broadway, VA 22815 or placed in the drop box at the rear of the Municipal Building.

Why do I pay taxes to both the County and Town?
Towns and counties provide different services. The majority of County tax money goes toward funding the school system. The County also provides fire and rescue services, the court system, landfill, dispatching services, health and welfare benefits, and many other services enjoyed by Town citizens. So, you are not paying double taxes, you are just buying services from two separate providers.

The owner of any motor vehicle or trailer, who is a resident of Broadway or has a place of business in the Town that uses a motor vehicle, is assessed a vehicle license fee which appears on the annual personal property tax bill. Failure to pay your personal property tax will result in notification being provided to the Department of Motor Vehicles, which will prohibit you from obtaining vehicle license registration renewal.

GARBAGE COLLECTION

Garbage is picked-up on Monday of each week. If a holiday falls on Monday and the collection date is changed, notification will be published in the *Daily News-Record*. A \$26.50 fee is added to the water bill for trash collection. Garbage must be placed in a "toter" as provided by Waste Management. An extra toter is available at an additional cost of \$4.94 per billing cycle. Garbage should be placed adjacent to the street for pick-up no earlier than 4:00 p.m. the day before and no later than 7:00 a.m. the day of scheduled collection.

What should I do if my garbage is not picked-up?

Call the Town Office at (540) 896-5152 and the staff will notify Waste Management.

SPECIAL CLEAN-UPS

Four special bulk trash pick ups are held each year. They are held on the first Monday of October, January, April, and July. On these dates, any type of trash refuse that can be handled by one employee and does not exceed 8 ft. in length will be picked up. All trash must be out on the curb by 7:00 a.m. No tires, batteries, items containing Freon, liquids, yard waste or hazardous materials are accepted.

Special yard waste pick ups are held on the first Tuesday of each month. Yard waste includes brush, twigs, sticks, limbs and bagged leaves. Regulations are: Maximum 4' long, 2" in diameter, bundled and tied, not to exceed 75 lbs., 5 units max; 1 unit is trash can size bundle (not exceeding 75 lbs.)
