She then provided a brief overview of the community survey results which have been included in the plan. She, along with members, then re-visited the Goals & Objectives section for each chapter and made minor changes to assure they concurred with the desire of the Commission.

Ms. Hibbits advised that the final draft copy will be available in the Town Office, as well as placed on the Town's website for citizens review for a 30-day period. She further advised that a public hearing with the Council to receive comments and/or questions is scheduled to be held on July 10, 2018.

Chairman Boase thanked Ms. Hibbits for the hard work and time spent on updating the Plan this past year.

There being no further business, the meeting was adjourned.
